

TOURNAMENT RULES

1. Teams WILL NOT be allowed to cross off players from their roster to be able to use pick up players. If you do not have enough unused spaces on your roster to allow for pickups you cannot have them. You have the option of filing a team change form to remove players from your roster and then you can use pickup players.
2. All pickup player forms must be filled out completely or they will not play.
3. NO hand-written player information can be on a roster. If there is, they WILL NOT play.
4. NO pickup player may step on the field or be listed on a lineup card UNTIL they are approved by the Tournament Director. You can get your pickup players to the Tournament Director before Friday and I will look at them. If you hand carry them on Saturday, I will get to them as time permits.

Due to the mess that was left in the parking lot this past weekend, there will be
NO ALCOHOL permitted in the parking lot
